RingCentral App: Logging in via Apple ID

You can use your extension's registered Apple ID to log in to the RingCentral app. This makes it more convenient in case you forget your RingCentral phone number.

- 1. Click Sign In.
- 2. Click **Apple**.
- 3. Type the Apple ID registered to your RingCentral Account.
- 4. Click the \rightarrow Arrow.
- 5. Enter your password.
- 6. Click the \rightarrow **Arrow**.
- 7. Enter the number provided on your apple devices for two-factor authentication. (If enabled)
- 8. Click your preferred option to finish.

If you need more help with logging in, access **<u>support.ringcentral.com</u>** to open a case or chat with us via **Ask RChee** (@).
